

On the cover

Divided government for a divided country: leader, page 13. Democrats end unified Republican government and will provide a check on the president, page 27. As Democrats improve in the suburbs, they grow even weaker in rural states, page 28

• **Reflections on Armistice Day** No continent, even one as old as Europe, can truly master its history: Charlemagne, page 55. Partially democratic countries fight in wars most often: Graphic detail, page 85

• **Gene drives: Don't ban, don't rush** Research into gene drives should continue. But the worries they raise must be addressed: leader, page 16. The promise and peril of a new genetic-engineering technology, page 24

• **Bangladesh's grotesque politics** A poster-child for development is disfigured by its politics: leader, page 14. The ruling party appears to be easing up ahead of an impending election, page 39

• **Tencent at 20** A Chinese internet titan shakes things up after a singularly bruising year, page 61. The rush to extract money from video-game players risks a regulatory backlash: leader, page 18
