

On the cover

If Xi Jinping reforms China's economy, he could both calm the trade war and make his country richer: leader, page 13. The struggle over economic policy, see our essay, page 41

• **Opioids' relentless toll** About 50,000 Americans are dying each year from opioid overdoses. The federal response is sluggish and inadequate, page 21

• **Hatred in France** A nasty brew—anti-Semitic, anti-black, anti-elite—is bubbling, page 51

• **The sly appeal of private equity** It is not just growth that attracts investors: Buttonwood, page 72

• **How to stay sane on a trip to Mars** Imagine being cooped up for three years with the same handful of irritating people, page 75. Opportunity, a rover on Mars that exceeded all expectations, was declared lost on February 12th: Obituary, page 86

The world this week
